French: fluent

English: fluent

SOFT SKILLS

Autonomy
Teamwork
Communication
Problem solving
Fast learner

INTERESTS

Volleyball · Basketball · Chess

PROFILE

Third-year Computer Science student at IUT du Limousin (France). During my internship at IT Partner I built and shipped three full-stack web applications to production (JavaScript, React, Next.js, Node.js, PostgreSQL, Docker). Trilingual in Mongolian, French and English, independent and quick to learn. Looking for a 16-week internship from March 2027 in France, elsewhere in Europe, in Mongolia or remote.

WORK EXPERIENCE

Full-Stack Web Developer Intern

Apr – Jun 2026

IT Partner, Ulaanbaatar, Mongolia · 10-week internship

Headless CMS inspired by Strapi

Node.js/Express · PostgreSQL · Next.js · Docker

- REST API to manage content and a Next.js admin panel (drag-and-drop editor, media library).
- Deployed with Docker Compose and Nginx on a Linux server.

Mongolian Au Pair website · mongolian-aupair.com

Next.js 16 · React 19 · Tailwind CSS · PHP

- Live company website powered by the CMS: dynamic pages, gallery, contact form.

correctURL: URL shortener with analytics

Next.js 14 · PostgreSQL · Docker

- Short links with custom slugs and click statistics; deployed with Docker and Nginx.

UNIVERSITY PROJECTS

Survey web application

Sep 2025 – Mar 2026

IUT du Limousin · team of 5

- Create and share surveys via code or QR code; front end, back end and database.

PHP · JavaScript · MySQL

Latice board game

Feb – May 2025

IUT du Limousin · team of 4

- Game rules, scoring and graphical interface; joint testing and debugging.

Java · JavaFX

Python mini-games

1st year

IUT du Limousin · university project

- Tic-tac-toe, Connect Four, Matches and Guessing game, vs a player or the computer; web version playable on my portfolio.

Python

EDUCATION

BUT Informatique (Bachelor of Technology in Computer Science)

2024 – 2027

IUT du Limousin, Limoges, France · currently in 3rd year
